### Provider Description

#### Information provided by the provider describing their agency:

Center for Transitional Living ("CTL") began in 2013 when Andy and Jeff, two ECSU friends and the sons of social workers, created a company to provide Mental Health Recovery Services. Growing from that foundational experience CTL has established an ongoing supportive adherence to a person-centered recovery plan where the individual's needs and expectations are put forth as the priority of our mission. CTL proudly provides consistent quality individualized services statewide in Connecticut and Massachusetts. At the Center for Transitional Living we specialize in providing our individuals with proficient Caregivers whom are well versed in following and supporting their individual's specific Recovery Plan. We are an agency that strives towards helping our individuals accomplish the goals specific to their recovery and providing additional support and compassion along the way. CTL serves 99% Medicaid consumers and has maintained stability and growth each year since its founding. CTL provides individuals with a superior, modern level of service statewide with consistency and persistence toward staffing each individual served with their best possible care giver.
